Drawers in the kitchen are irreplaceable. They can accommodate cutlery, small accessories, tableware, food supplies, as well as larger items. However, a drawer of a different height is dedicated to each of these groups.

Schubladen in der Küche sind unersetzlich. Sie bieten Platz für Besteck, kleine Accessoires, Geschirr, Lebensmittelvorräte sowie größere Gegenstände. Allerdings ist jeder dieser Gruppen eine Schublade mit unterschiedlicher Höhe zugeordnet.

System of measurements Height of corpuses, fronts and household appliances (in cm)

Maßsystem Höhe von Korpussen, Fronten und Haushaltsgeräten (Maße in cm)

The height of the **CORPUSES** is described in black.
Die Höhe der **KORPUSSE** ist in Schwarz angegeben.

The height of **FRONTS AND HOUSEHOLD APPLIANCES** is described in green.
Die Höhe von **FRONTEN UND HAUSHALTSGERÄTEN** wird in Grün angegeben

Appropriate height

Thanks to the adjustable legs, the height of the worktop can be adjusted to the user's height. The 85 cm high tabletop is suitable for people up to 170 cm tall. For taller users, a table top of 90 cm is recommended. When planning a built-in structure with a dishwasher, remember about the minimum plinth height = 11 cm.

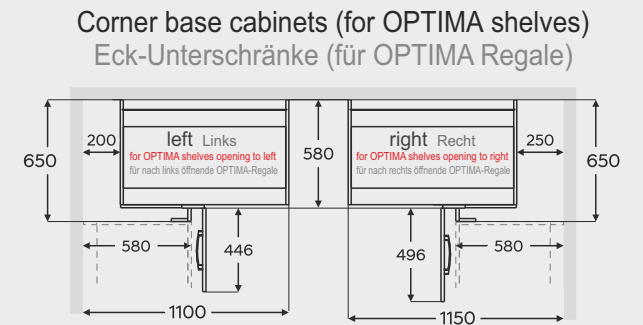

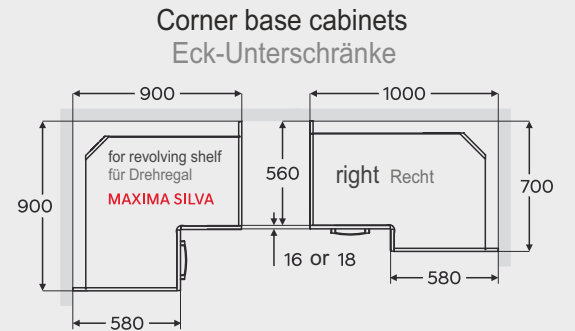

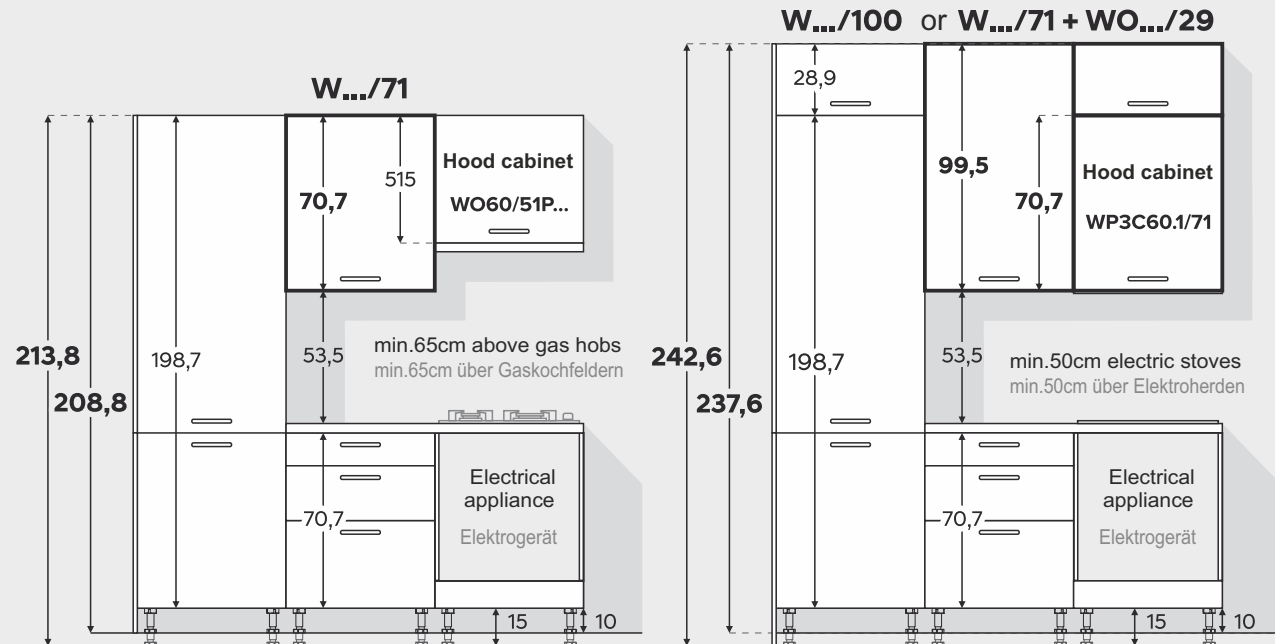

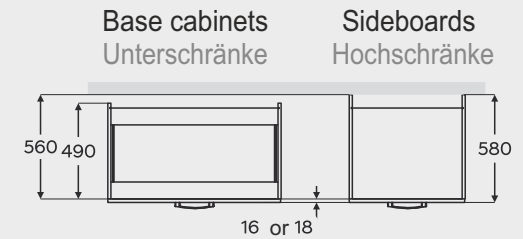

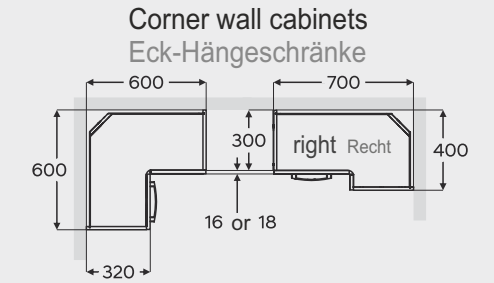

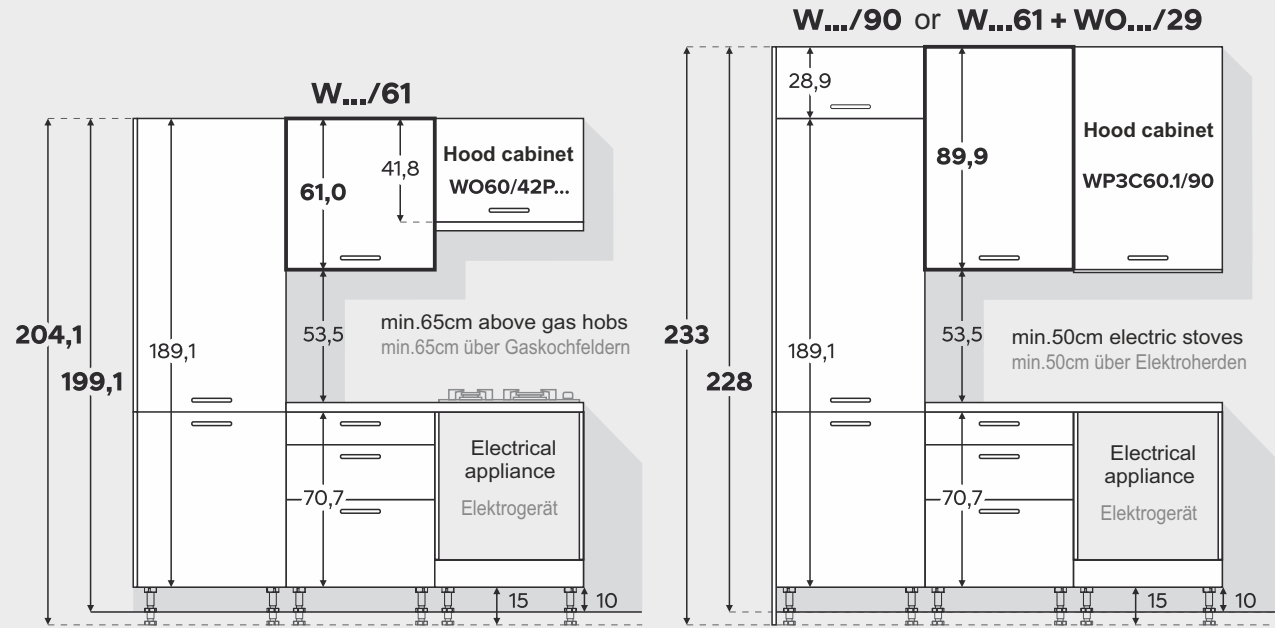

Angemessene Höhe

Dank der verstellbaren Füße kann die Höhe der Arbeitsplatte an die Körpergröße des Benutzers angepasst werden. Passend ist die 85 cm hohe Tischplatte für Personen bis 170 cm Körpergröße. Für größere Nutzer empfiehlt sich eine Tischplatte von 90 cm. Bei der Planung einer Einbaukonstruktion mit a Denken Sie beim Einbau eines Geschirrspülers an die Mindestsockelhöhe von 11 cm.
